

# Fire Extinguisher

*CPD, IIRSM, Gatehouse Awards & Institute of Hospitality Approved*

Current legislation, The Regulatory Reform (Fire Safety) Order 2005, applies to all workplaces regardless of the number of employees and requires employers to provide adequate training in fire awareness for all members of their staff.

Our online fire safety training courses are aimed at all employees to assist them in identifying and reducing the risk that fire presents in the workplace.

This course provides training in the use of different types of fire extinguishers and the protocol of tackling a fire.

## Learning Objectives:

*By the end of this course, you will be able to:*

- Identify the different types of Fire Extinguishers that are available.
- Understand when, where and which fire extinguisher to use.
- Demonstrate what to do upon discovering a fire.
- Recognising the situation and assessing risk factors involved.
